## CLIFFE CHAUTAUQUA OF NEW SCHOOL BUILDING NOW FERS FINE PROGRAM ON MAY 7-9-10.

Days Crowded with Excellent  
Entertainment and Educational  
Features.

A varied program of entertainment  
heard outside of the large  
together with educational  
of such outstanding impor-  
as to bring written praise from  
of the greatest men in the  
country, is offered to the people of  
Hondo, in the Radcliffe Chautauqua,  
which comes here on May 7-9-10.  
The program includes musical cum-  
both vocal and instrumental,  
dramatic recitals, lectures and plays  
which will give everyone, no matter  
young or how old, something  
to laugh over as well as to think  
over.

The musical program furnished by  
Porter Vochestral Party and  
Mountain Quartet, will be a  
treat. These musicians perform  
all sorts of music-making instru-  
ments, some of which are so novel  
these players have become noted  
and wide by their unusual per-  
formance.

Among the three plays staged by  
players, "Give and Take," comes  
a most successful run in New  
York, where it convulsed Broadway,  
and became known as "The Biggest  
Swindle on Earth." The two one-act  
plays, "A Clean Sweep," and "Baby  
Sue," which these players also  
present for your entertainment, re-  
sults in a scream from  
to finish.

There is no question but that every  
member of this community is interest-  
in the subjects of the three after-  
noon lectures, "Choosing your Voca-  
lism," "Choosing your Habits," and  
"Choosing your Ideals," which are  
masterfully presented and cannot  
be of great help to every  
individual who is fortunate enough  
to hear them.

Everyone will also get a great  
deal of pleasure and inspiration from  
the three evening lectures: "The  
Blind Goddess," "The Silent  
Empire," and "The Old Birch Rod,"  
which the same speakers will deliver  
in a way that will impress every  
individual with the message they con-  
vey.

## THE SCHOOL BOARD AT A MEETING LAST SATURDAY AFTERNOON CONSIDERED THE ARCHITECT'S REVISED PLANS FOR THE NEW SCHOOL BUILDING, ACCEPTED THE PLANS AND LET THE CONTRACT FOR THE BUILDING TO J. E. DICKE, A SAN AN- TONIO CONTRACTOR, FOR \$45,987.00.

The contract price is something  
like \$7,000.00 below the lowest bid  
offered at the time when bids were  
first opened. This saving is effected  
through several changes in the origi-  
nal plans, the chief being the sub-  
stitution of a system of heating by  
natural gas in place of steam. This  
eliminates the cost of a basement  
and an expensive furnace and piping  
system.

The building will be 205 by 56  
feet outside dimensions. The present  
building will be remodeled by taking  
off the second story. The new part  
will be an extension east from the  
front of the old building. All will  
be a single story, will be built of  
brick and finished in stucco and made  
to harmonize throughout as a com-  
plete new structure.

There will be an extension from the  
center of the building and fronting  
the east and west street on the north  
side of the school house, 73x42 feet.  
This will be used as an auditorium  
and assembly hall and with the bal-  
cony will have a seating capacity of  
700 people. There will be seventeen  
class rooms, a library room, an office  
room and a store room. A hallway  
will run through the entire building  
from east to west, and two built-in  
lavatories will add to the convenience  
of the building. When completed  
Hondo's school will be housed in a  
complete and well constructed build-  
ing, one combining comfort, con-  
venience and attractiveness, and a  
structure in which the town can feel  
a just pride.

Work is to begin at once and the  
finished structure is expected to be  
ready for the opening of school in  
September.

## METHODIST PROTRACTED MEET- ING CLOSSES.

The Revival Meeting, which began  
April 3rd, closed Easter Sunday with  
the evening service. Chaplain A. F.  
Vaughan of Station Hospital, Fort  
Sam Houston, did the preaching  
throughout the fifteen days of the  
meeting. Rev. L. D. Hardt, Pastor  
of the Methodist Church, Carrizo  
Springs, Texas, led the choir and con-  
gregation in the singing. The meet-  
ing was well attended by the people  
of Hondo and surrounding country.  
Brother Brown dispensed with his  
regular services during the meeting,  
and together with many of his people  
attended most of the services and  
rendered a fine help. Pastors and  
local ministers of other neighboring  
churches attended. Among the min-  
isters who were present during the  
meeting at some time are: Rev. Hein-  
eke, of the local Lutheran Church;  
Rev. Hasskarl, of the Quibi Lutheran  
Church; Rev. Moerner, of New Foun-  
tain Methodist Church; and Rev. Nel-  
son, Pastor of the Yancey Baptist  
Church. One night there were count-  
ed eleven pastors and local preachers,  
including those who took active part  
in the meeting. This gives some  
idea of the fine spirit which prevailed  
throughout the community and sur-  
rounding country.

Large numbers attended many of  
the services, and great good was ac-  
complished in bringing the Christian  
people into a larger conception of  
the meaning of the Christian life, and  
in awakening others to a desire to  
enter into the Christian life. Thir-  
teen people were received into the  
Church on profession of faith in  
Christ, and one other is to be re-  
ceived later. The climax of the  
meeting seemed to come with the  
last service when the capacity of the  
Church, including the extended Audi-  
torium, was taxed, and it became  
necessary to utilize the chairs from  
the Sunday School rooms. It is es-  
timated that 450 or 500 people were  
present. Brother Moerner assisted in  
the service through his choir. His  
male choir sang one song, and his  
mixed choir another. These songs  
were a great contribution to the ser-  
vice. Both of last Sunday's sermons  
were related to the Resurrection and  
Immortality. They were both up to  
the high standard which Brother  
Vaughan had set. The Chaplain is  
a strong and forceful preacher. The  
service which he and Brother Hardt  
rendered to our community was of  
a very high character, and the re-  
sults will abide. The meeting has  
been a success and a blessing to  
many.

W. S. EZELL, Pastor.

## BENEFIT SHOW NETS GOODLY SUM.

A crowded house turned out Tues-  
day night for the benefit show at  
the Colonial Theatre. Receipts at  
the door amounted to \$127.55 and  
the entire sum has been turned over  
to the relief committee for the bene-  
fit of the sufferers in the Rock  
Springs storm of last week, the  
theatre management defraying all  
expense of the show.

Before the showing of the picture,  
a collection was taken up in the  
audience and \$425.00 subscribed.  
Thus the proceeds of the evening ag-  
gregated a total sum of \$525.55.

The subscription list is at the Hon-  
do State Bank and is being increased  
as others call there and add their  
contributions. It is expected that  
with the \$200.00 already contribut-  
ed by the Red Cross from its local  
revenues, Hondo's cash contributions  
will easily reach \$1,000.00.

In addition to this a considerable  
quantity of clothing, food, etc., con-  
tributed by various individuals, was  
rushed to the stricken town when the  
need was most acute.

## THE MASTERPIECE OF ALL TIME.

"The Birth of a Nation" Has First  
Showing Here After Remark-  
able Record.

D. W. Griffith's spectacle, "The  
Birth of a Nation", a United Artists  
release, begins its engagement at the  
Colonial Theatre May 5.

Nothing like this wonderful at-  
traction has ever been seen upon  
the local boards. It is given here  
exactly as presented recently in New  
York City where the drama set a  
new record for attendance at the  
famous Capitol Theatre playing to  
over \$46,000 in one week and to  
more than 150,000 people in a fort-  
night.

It covers a wide range of Ameri-  
can history and touches only the  
highest points of interest in the great  
events that preceded and terminated  
the Civil War. The force that slav-  
ery played in producing this crisis  
is traced from its inception to its  
abolition. While the basic theme is  
historical.

Then comes the agreement for  
peace and Lincoln sets about his  
superhuman task of healing the  
wounds by the application of that  
great love which made him the tow-  
ering figure of his age. A fanatic's  
bullet stills the heart which beat so  
evenly for all humanity.

All tickets on sale at Windrow's  
Drug Store except for matinees.  
Every seat reserved except matinees.  
No phone calls accepted.

## MARTIN LUTHER, HIS LIFE AND TIME.

The exhibition of the picture of  
"Martin Luther, His Life and Time"  
at the Colonial Theatre Wednesday  
night brought out a crowded house  
both at the matinee and at the  
evening time.

The picture is a powerful dramatiza-  
tion of this striking event in the  
world's ecclesiastical history, and  
while throwing into bold relief those  
grievances at which the great protest-  
er revolted against his mother  
church, it does it in a delicately ar-  
tistic manner which makes it as in-  
offensive to those from whom he dis-  
sented as it would seem possible to  
do without losing all the dramatic  
effect of the theme.

As an historic pageant of the time,  
it is highly educational and will do  
much towards promoting a more  
thorough study of the history of the  
founding of the great Lutheran sect  
and the basic doctrine upon which it  
is founded. The public of Hondo is  
to be congratulated upon the oppor-  
tunity of seeing this picture, pleas-  
ing in its artistry, instructive in its  
character, and elevating in its morals  
without offensiveness.

And it's "Grandpa" Brown now!

A fine 8-pound girl was born to Mr.

tonio Friday, April 15, 1927. Mrs.

Richey is the only child of our fel-

low townspeople, Mr. and Mrs. J. W.

Brown, and the little arrival is their only grandchild. Mother and babe were doing well at last report Monday when Mrs. Brown, who had been with her daughter at the hospital, returned to her home in Hondo.

County Superintendent W. N. Saathoff, acting through his capacity as County Chairman for the Junior Red Cross of Medina County, has called upon the school children of Medina County to contribute, through their teachers, to a fund for re-building and equipping the demolished public school building at Rock Springs.

F. Marion Davis and Hilmer Haegelin, two of Hondo's A. & M. boys, after spending the Easter holidays here with homefolks, returned to the College Sunday. "Fish" Ilse from D'Hanis, after a visit to his parents, Mr. and Mrs. A. G. Ilse, also returned at the same time.

Every one who could get away it seems has motored up to Rock Springs to witness the effects of last week's storm. It would be as impossible to mention all as it would be to reproduce the many remarkable stories they tell about the freaks of the wind.

The little child, Horace Ellison Neumann, mention of whose death was made in last week's paper, was the son of H. E. Neumann and his former wife, nee Emma Breiten. This correction is made because the former item was not clear in this particular.

Mr. and Mrs. Leslie Holloway and children came over from La Grange Friday on account of the illness of Mrs. Holloway's sister, Mrs. Will Robertson. Mr. Holloway returned to La Grange Sunday, Mrs. Holloway and children remaining for a longer visit.

Mr. and Mrs. Frank Schroeder and Mrs. Theresa Hutzler spent Sunday here as the guests of Judge and Mrs. Ed de Montel. Mrs. de Montel accompanied them back to San Antonio Sunday evening for a few days visit.

Mitt Peters and wife were here this week visiting Mr. Peters' father, A. F. Peters. Mr. Peters is ranching about fifty miles north of Rock Springs and was not in the track of the storm of last week.

The Ladies Beauty Shoppe has been moved from Parker's to the second floor of the First National Bank Building. Street entrance, 1st door east of bank. Annie Heyen, proprietress.

Lost, somewhere between my home and the Griffiths farm on the D'Hanis road, a spare tire and rack on last Sunday night, April 17th. Reward offered for return to L. F. Rucker.

Tony Forst was down from the Cliff community Thursday. He says some oats will be made in that section, but on the whole the crop will be very disappointing.

## QUIHI NOTES.

Sunday morning at 10 o'clock  
regular divine service will be held  
in St. John's Lutheran church at New  
Fountain. All are cordially welcome  
at this and all services held in this  
church.

The Sunday School will begin from  
now on and during the summer  
months at 9 o'clock Sunday morn-  
ings. Both old and young are invited  
to attend this Sunday School and  
Bible Class.

At 7:45 o'clock Sunday night  
divine service in the English tongue  
will be held in Bethlehem Lutheran  
church. Please bring your English  
hymnbook along. All are cordially  
welcome.

Last Sunday night the Quihi Luth-  
er League rendered a very fine liter-  
ary-musical program to an apprecia-  
tive audience much larger than the  
seating capacity of Bethlehem Luth-  
eran church. The several selections  
by the church choir and the Male  
Choir were timely and rendered ex-  
cellently. Mrs. Henry Schuehle pre-  
sided at the organ in her accustomed  
efficient and affable manner. The  
readings and other literary numbers  
were rendered well and were inter-  
esting and instructive, while the  
musical numbers enlisted and received  
the approbation of all, the blue  
ribbon going to Clara Bell Balzen  
and her saxophone. In addition to  
the program numbers the large  
audience had the pleasure of listen-  
ing to a brief, timely and impressive  
discourse by Rev. H. A. Heineke of  
the Hondo Lutheran church.

At a recent meeting the Quihi  
Luther League appointed a commit-  
tee to arrange a lawn social with a  
musical-literary program to be given  
in the near future. This committee  
is composed of Messrs. Frank Boehle,  
chairman, Arthur Grell and Miss  
Bertha Oefinger.

## WEDDING AT QUIHI.

Last Wednesday at 1 o'clock a  
very pretty church wedding with the  
double ring service took place in  
Bethlehem Lutheran church, Rev. C.  
P. Hasskarl, pastor of the church  
officiating. The contracting parties  
were Mr. Emil Lindeburg and Miss  
Ella M. Nietenhoefer of New Foun-  
tain. The groom is the eldest son  
of Mr. John Lindeburg and is a young  
man of excellent report and one of  
whom any father might justly be  
proud. The bride is the accomplish-  
ed and highly respected daughter of  
Mr. and Mrs. Charles Nietenhoefer  
of the New Fountain community.

The ceremony in the church was wit-  
nessed by a large number of relatives  
and friends of the happy bridal pair,  
while Miss Amanda Grell presided at  
the organ and played the wedding  
march to which the bridal couple  
marched to the altar. Immediately  
after the church service, the young  
couple set out for San Antonio to  
view the Battle of Flowers and spend  
their honeymoon. Upon their return  
from San Antonio Mr. and Mrs. Lin-  
deburg will establish their permanent  
home with Mr. John Lindeburg, who  
lost his excellent wife some months  
ago. The sincere congratulations  
and wishes for a happy and prosper-  
ous future were extended to the hap-  
py pair in the church vestibule by  
the many friends present. The Anvil  
Herald joins in wishing the young  
people God speed and a pleasant and  
happy journey through life.

## Too Much "Acid?"

Excess Uric Acid Gives Rise to Many  
Unpleasant Troubles.

AUTHORITIES agree that an ex-  
cess of uric acid is primarily  
due to faulty kidney action. Reten-  
tion of this toxic material often  
makes its presence felt by sore, pain-  
ful joints, a tired, languid feeling  
and, sometimes, toxic backache and  
headache. That the kidneys are not  
functioning right is often shown by  
scanty or burning passage of secre-  
tions. Thousands assist their kidneys  
at such times by the use of Doan's  
Pills—a stimulant diuretic. Doan's  
are recommended by many local peo-  
ple. Ask your neighbor!

## SCOUT LEADERS' TRAINING COURSES BEGUN.

Boys Urged to Begin Earning and  
Saving Money for Camp Fees.

The first week of the training  
courses in Southwest Texas Council,  
B. S. A., for men in community lead-  
ership and boys' work has passed into  
history. We had interesting meet-  
ings in three towns. At each of these  
places, Carrizo Springs, Eagle Pass,  
and Del Rio, the "big men" of the  
town were present. First sessions of  
Uvalde's and Hondo's meetings were  
postponed until Friday, April 22, and  
Monday, April 18, respectively.

The Scout Executive, your "hired  
hand", appreciates very much the  
splendid co-operation given him. He  
adds that it is all for your boys, your  
town, your home and your state that  
you are asked to attend these weekly  
meetings.

We mourn with everyone the loss  
of life and property in Rock Springs.  
That city is in our area. Mr. Dolla-  
hite, troop committeeman of Troop  
No. 10, and others had pledged anew  
their interest and help in the Scout  
program just a few hours before this  
great disaster. Mr. Dollahite espe-  
cially talked of the program for  
his own lad, just now reaching Scout  
age. One shudders to think what  
has happened since. The only manly  
thing to do is to carry on as he  
planned. The Scout Executive stands  
ready to help the Rock Springs troop,  
and especially Mr. Dollahite's son, in  
any way possible. This is a challenge  
to the men of the area to do some-  
thing for your own boy and the boys  
of your neighborhood.

Boys, now is the time to begin  
saving your money for camp. 1927  
camp will be held August 8-17 in-  
clusively, and while the camp fee has  
not yet been set for the ten days,  
\$10.00 will easily cover fee and all  
your incidentals and spending money  
for the time you are there. Make  
it your goal to earn this money. A  
Scout pays his own way. You have  
almost four months to make this  
money; show us what you can do.  
A special honor roll will be made up  
at camp of those boys who have  
earned their money for camp. The  
citizens are earnestly requested to  
"call on a Scout" when they need  
any work done, from mowing lawns  
to delivering parcels—anything a  
boy can do—to help him earn money  
for his vacation at camp.

At the first session at Hondo Mon-  
day night, about twenty men were  
present. The Wolf and the Tomcat  
patrols were organized, and it looks  
as though the Hondo Wolves are  
going to have to make a good deal  
of noise to be heard above the meow-  
ing of the Tom Cats, of Sabinal.

Those taking active part Monday  
evening were A. N. Eby, R. T. Taylor,  
I. Wilson, R. W. Speece, J. L. Mech-  
ler, Frank Schweers, T. B. Knopp,  
and O. H. Miller. Mr. Short and a  
few others were interested enough  
to attend the first meeting, but we  
think they will be back and help their  
patrols win next time.

We appreciate the favor when  
write-ups of social, club, lodge,  
church, etc., affairs are handed in for  
publication. Help us make the Anvil  
Herald a newsy paper. 41-tf.

#### TEXAS PROGRAM.

San Antonio's favorite screen actress, Clara Bow, is co-starred with Esther Ralston in "Children of Divorce" at the Texas Theatre in San Antonio the week of April 23.

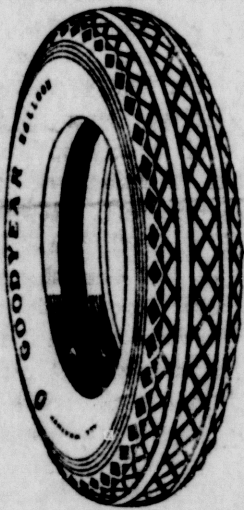

Miss Bow and Miss Ralston are seen at their best in this photoplay, both having sympathetic roles. They are supported by Einar Hanson, the young Scandinavian star who only recently came to America, and Gary Cooper. "Children of Divorce" is an interesting tale of the adventures of two modern young "children of divorce"—their escapades on the sea of matrimony, and the almost dire results that come of the thoughtlessness of one for the other. Comedy, Public News of world events, scenic, and novelty reel complete the screen features.

On the stage, Jules Buffano presents his "Merry Mad Musical Gang" in their second week of sympho-syn-copation—this time the presentation is called "As You Like It," and features such stars as Bemis and Brown, comedy character and dance team, and Agnes Kern, blues singer de luxe, from California. "The Prince of Pilsner" is the overture, and the Merry Mad stage offering is wound up by a travesty on the rank and file of dance contests that are now being held in every part of the country. It is called "Buffano's Black Bottom Contest," and every actor on the bill takes part in it, much to the amusement of the audience.

"Puppets," a richly set piece of stagecraft, is the title of the new Boris Petroff Public stage presentation which is showing the same week.

There's a joker  
in the  
"cheap" paint can!

"Cheap" paint looks like paint and smells like paint—and the low price seems to be attractive. But here is the two-sided "joker."

A gallon covers only about half the area covered by SWP House Paint—a strictly quality paint. Nearly twice as many gallons are needed. Figure that out and the low price isn't low at all.

Then it lasts only about half as long on the house—needs to be renewed oftener—costs over twice as much per year as SWP.

Come in. Let us tell you the whole story about real paint economy. We will save you money.

SWP House Paint is guaranteed to look better, last longer, cost less per job and less per year than any house paint on the market.

## DEVINE NEWSLETS.

From The Devine News.

Louis Biry Store Burned Saturday,  
2:00 A. M.

News reached Devine early Saturday that Louis Biry's store at Biry, 12 miles north-west of Devine burned at 2 a. m. The fire was discovered and put out before the building burned down, but the entire stock was very badly damaged, also the building. We understand that it was pretty well covered by insurance by a Hondo agency. We have heard nothing as to the origin of the fire as well as estimated loss. Mr. Biry's dwelling stood close to the store and would no doubt have gone but for stopping the flames in the store.

Pipe Line Survey Crosses Wallace Hill.

Markings of the Humble Oil Co.'s new \$25,000,000 pipe line from McCamey, in West Texas, to Ingleside on the Gulf, shows that it is running from N. W. to S. E. crossing the highway and I. G. N. at the junction of Frank Riley and B. Atkin's farm at Wallace Hill, just north of Natalia. We understand that this is the final survey and the line will certainly be built, with some other improvements along the several hundred miles of line, for line walkers and keepers. The survey passes just north of the Chicon lake shallow field and just a little south of the southwest limits of the Somerset field. It will be a common carrier and ought to stimulate development in this section. The line will run almost diagonally across Medina County, from the N. W. to the S. E. corner of the county.

Two Men Seriously Hurt in Gas Field.

Manager R. A. Berrett and son were in from the gas field Monday, the elder being pretty badly banged up from an explosion of a pipe in the Southern Gas and Fuel Co., works at the field west from town, and was taken to a hospital in San Antonio. One of his workmen was also injured and taken to Hondo, where he lived or was boarding, for treatment there. Dr. Woods gave first aid and said he was uneasy about Berrett's eyes. Young Berrett was shocked and hurt slightly but was able to look after his father in getting him to a hospital. It seems from reports reaching this office that they were coupling in a new well and had a blow out from the heavy pressure.

From Biry.

The school entertained with an Easter egg hunt and picnic Wednesday evening having supper on the school ground at 6 o'clock. Everybody enjoyed the event very much. Messrs. Rudolph Posch and Leonard Wernette and Miss Mary Posch spent Tuesday in San Antonio.

Miss Nora Saathoff spent the week-end with her sister in San Antonio. Mrs. Simon Heath and daughter, Eunice, and Mrs. Will Breiten and Roy Breiten spent one day the past week in Hondo.

About two o'clock Saturday morning a fire was discovered in Louis Biry's store in which everything was ruined. The building was damaged considerably.

## LACOSTE LEDGERETS.

From The LaCoste Ledger.

Messrs. Alex and William Hitzfelder, R. J. Mangold and Jos. O. Droitcourt took a trip to Rock Springs Sunday, returning by way of Kerrville, Center Point, Comfort and Boerne. They report having seen some beautiful scenery along the Guadalupe River, also some pretty oats in that section.

Artesia Wells won 1st place with 25 points, while LaCoste School was second with 23 points.
